

About Lowolf, Inc:

Our team has been deeply worked on American slot machines for many years and established Lowolf, Inc in October 2013. In 2014, we have successfully manufactured many slots.

Our team is working on:

1. Designing and producing on-line slot games,
2. Controlling of winning and gambling odds,
3. Backend management control systems,
4. Set up and configure servers
5. Analyzing the number of business,
6. Commercials and special activities of the game.

We have many slots of themes (Such as Fruits, Jewels, Zoo, Poker, Egypt ,Grim Reaper,Vampire - Dracula,Halloween,Japanese folklore - Hyakki Yagyō, Chinese - jiangshi,zombie,Toxicity). In the future, we will publish many versions of game styles which are connected with the culture of different countries.

The history, present, and future plans of Lowolf:

October 2013 : The establishment of Lowolf team,

October 2014 : The publishment of web version on Facebook,

November 2014 : The publishment of the “Egypt Style” demo version on android,

In 2015, we plan to publish the full version on Android and IOS.
